

The KMC logo is a white oval containing the letters 'KMC' in a bold, sans-serif font, set against a blue rectangular background in the top left corner.

KMC

A cyclist wearing a blue sleeveless shirt, dark shorts, a helmet, and sunglasses stands with a red mountain bike on a dirt trail. The background features rolling green hills, a valley, and mountains under a bright, cloudy sky with a sun flare.

Titanium Nitride Coating

Introducing our latest coating technology on X10SL Gold, X9SL Gold, X10 Gold, and X9 Gold: Ti-N Titanium Nitride coating in gold color.

With a durable and smooth surface, not only will your chain show of a GOLDEN shimmer, it is also less susceptible to dirt and is easier to clean, therefore retaining its function much longer than regular chains. Because of our extraordinary success rate with our Ti-N coated chains, we guarantee your satisfaction.
